

TRAFFIC ALERT

Main St / Appleton St Road Milling and Paving

The pavement at the intersection of Main and Appleton will be milled on Sept 11th and paved on Sept 18th. Please avoid the area as there will be traffic delays.

Cabot St / Willimansett Bridge Closure - Sept 15th and 16th

The closure of the Willimansett bridge is to enhance the safety at the rail crossing on Cabot Street near the Willimansett Bridge.

This requires a complete shutdown of Cabot St and the Willimansett Bridge for the construction period of two days.

Message boards on both sides of the bridge will give notice a week in advance of the closure to alert drivers of the upcoming work. As much as possible, try to avoid the area for these two days.
